The Bellingham School Committee has authorized an Athletic Fee to be assessed for every Bellingham High School and Middle School Student Athlete, for each sport for participation in the Athletic Program. There is a family cap per season. This fee will be used to help supplement the athletic budget. The Athletic Fee is due and payable to Bellingham High School Athletic Department, subject to the following conditions:

- A. The Athletic Fee is non-refundable for voluntary termination of participation or termination for reasons of discipline. The Athletic Fee is not a guarantee of playing time.
- B. The Athletic Fee shall be paid in full to the Athletic Director or designee at a time and place to be announced prior to the start of each season. If payment is not made by the due date, the Student Athlete will be dismissed from the team. A receipt for payment of the fees and explanation of the conditions shall be given to the Student Athlete.
- C. Adopted by the School Committee on April 28, 2009: Only students who qualify for the Federal Free and Reduced Lunch program will be eligible for an athletic fee waiver. The student does not have to take advantage of the free/reduced lunch program to take advantage of the lower athletic fees, but they must apply and be approved for free or reduced lunch to be eligible for a reduced athletic fee. If you qualify for the free/reduced lunch program, the athletic fees will be as follows:
 - If you have been approved for free lunch, we will waive the full amount of the athletic fee.
 - If you have been approved for reduced lunch, the athletic fee will be reduced by 50%.
- D. Please be aware that many health insurance companies reimburse subscribers for fees such as this.
